

MEMBER FACT SHEET

Partner private hospitals

GU Health has contracts with private hospitals and day facilities that specify how much these hospitals can charge for accommodation and other services.

These are known as partner (or agreement) private hospitals. The contracts that GU Health has in place with these hospitals means that you're fully covered for your accommodation and theatre fees, less any excess that you may be required to pay based on your level of cover. The hospitals and day facilities listed below

are current GU Health partner private hospitals; however, this list is subject to change without notice. We recommend that you go to guhealth.com.au/my-membership/find-a-provider to view a list of GU Health partner private hospitals you can visit before confirming your admission.

We're here to help

For assistance or for more information contact our Member Relations Team on **1800 249 966** between 8.30am to 5pm (AEST), Monday to Friday or email: corporate@guhealth.com.au ●
